Answer: L
Explanation:
Explanation/Reference:
well on the internet, we can only find about cluster.exe CLI to confugre tolerance to heartbeat failures
however, i found ONE page (waw) where the guy says to check the "failover settings" to troubleshoot
heartbeat alert problems...
i know it's not an evidence,
but that's the only thing i could find... and at least it's not a rebuttal evidence !
and if you check explanations of the other questions with the same answer choices (where almost every
answers are explained), by a process of elimination, you can be sure it's the correct answer.
